**Flowchart Years 7 – 9**

## Years 7 – 9

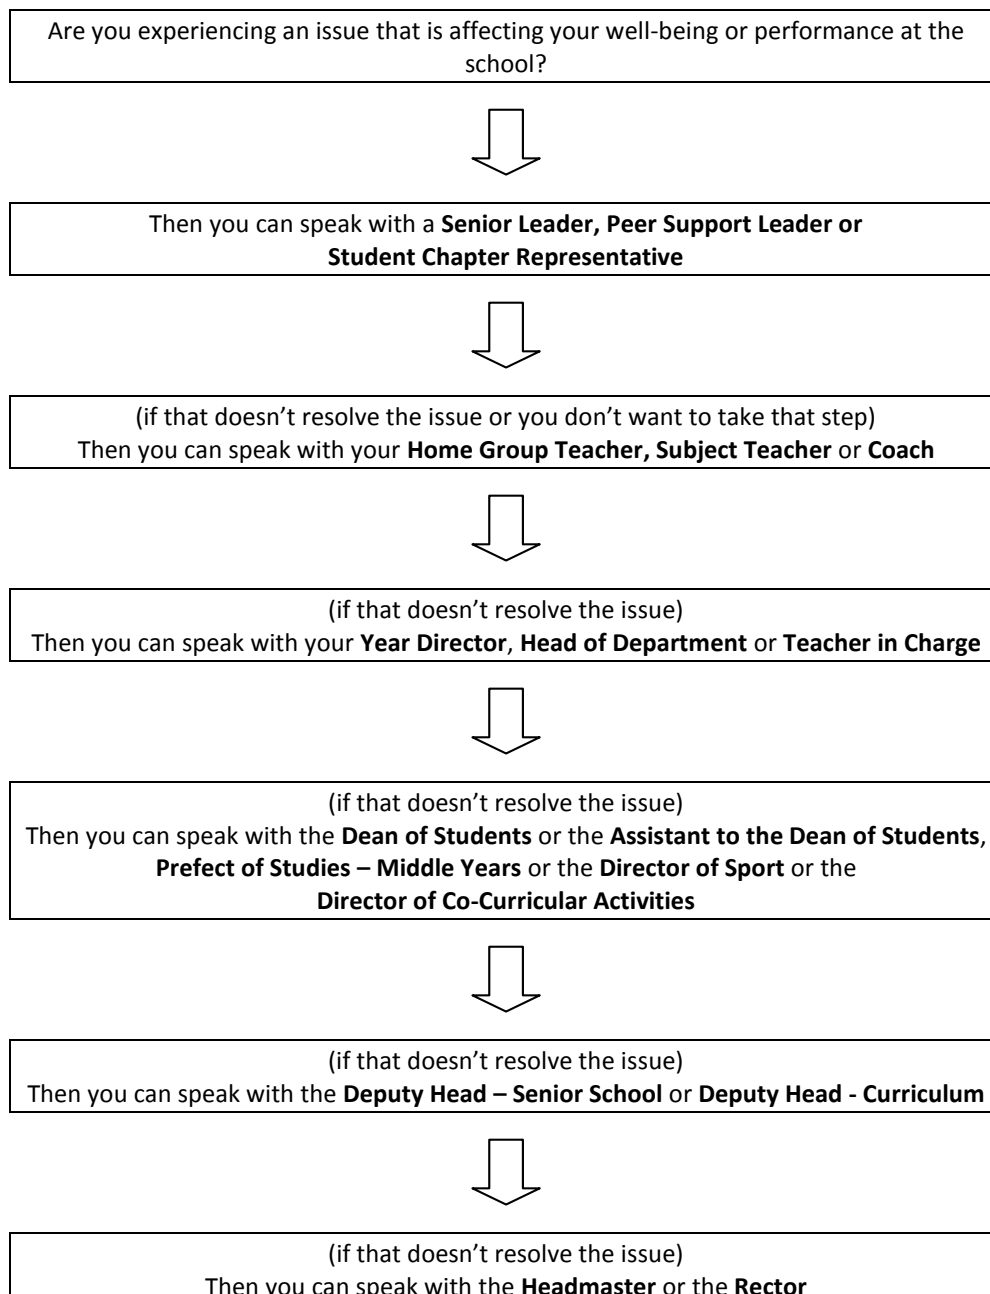

The College has a well-defined Anti-harassment Policy that has clear directions indicating persons from whom a student may seek help or counsel if they are experiencing a problem with bullying or harassment or if they are aware of other students who are experiencing a problem with bullying or harassment.

There are a range of other issues that students may struggle with such as:

- academic progress
- relationships with peers
- relationships with staff
- physical or emotional health
- transition to a new environment or new year level
- participation in co-curricular activities
- following school rules or policies

Depending on the nature of the issue there are a range of persons from whom a student may seek help or counsel in addressing the problem.

The following chart is designed to make the students aware of the range of persons from whom they may seek help or counsel. At any time during this process the student may wish to speak with the **Student Counsellor**, the **Youth Minister** from Campus Ministry, or a **member of the Jesuit community**.
