Students’ Positive Resolution Policy

Flowchart Years 7 – 9
Years 7 – 9

The College has a well-defined Anti-harassment Policy that has clear directions indicating persons from whom a student may seek help or counsel if they are experiencing a problem with bullying or harassment or if they are aware of other students who are experiencing a problem with bullying or harassment.

There are a range of other issues that students may struggle with such as:

- academic progress
- relationships with peers
- relationships with staff
- physical or emotional health
- transition to a new environment or new year level
- participation in co-curricular activities
- following school rules or policies

Depending on the nature of the issue there are a range of persons from whom a student may seek help or counsel in addressing the problem.

The following chart is designed to make the students aware of the range of persons from whom they may seek help or counsel. At any time during this process the student may wish to speak with the Student Counsellor, the Youth Minister from Campus Ministry, or a member of the Jesuit community.

1. Are you experiencing an issue that is affecting your well-being or performance at the school?

2. Then you can speak with a Senior Leader, Peer Support Leader or Student Chapter Representative

3. (if that doesn’t resolve the issue or you don’t want to take that step) Then you can speak with your Home Group Teacher, Subject Teacher or Coach

4. (if that doesn’t resolve the issue) Then you can speak with your Year Director, Head of Department or Teacher in Charge

5. (if that doesn’t resolve the issue) Then you can speak with the Dean of Students or the Assistant to the Dean of Students, Prefect of Studies – Middle Years or the Director of Sport or the Director of Co-Curricular Activities
