Help us ignite creativity and expression.

Saint Ignatius’ College
Music and Drama Building
In August 2014 we look forward to unveiling our state-of-the-art Music and Drama facility. This new three-storey purpose-built facility is designed to support our students to achieve their very best and reach their highest potential in Music and Drama by providing:

• Dedicated practice rooms for tuition,
• An acoustically treated orchestra pit,
• A recording booth,
• Acoustically treated walls,
• A dedicated rehearsal room,
• Classrooms; and
• A raked auditorium with seating for up to 300 people.
Saint Ignatius’ College invites you to invest in the growth of students and families, present and future. Support is still needed from our Saint Ignatius’ College family including current and past families, old scholars and our wider supporting community. Your contribution today will assist with significant equipment and furnishing items such as Staging, Speakers, Tubular Bells, Mariba, New key boards, Auditorium seating and much more. In these final stages we are grateful for your help.

**How can I help?**

An Ignatian Education... Building Dreams & Enriching Young Lives

**Is my donation Tax Deductible?**

Donations to the Music and Drama building project are tax-deductible and will assist in purchasing the much needed fit-out items which will help to honour our tradition of excellence in the Arts.

To make your tax-deductible donation please visit the the College website by clicking on the link below or complete a donation form and return it to the Development Office. Thank you.

**Donate Online**
Please help support our students to reach new heights

For further information about the Music and Drama facility or for any other enquiries about making a donation to Saint Ignatius’ College Foundation, please contact the Director of Community Engagement,
